

PRAYER TO WORSHIP

By Dan Garnett

Key of D (minus third)

Open third on the D but with an up-pick on the hammer-on on the high E. I use mostly down licks on each string when I use the guitar.

CHORUS: Anoint me with Your (G/D) Spirit, (A2) Cleanse and fill my (D) heart.

Come and take (G/D) possession, (A2) Fill up every (D) part.

Make my sacri(G/D)fices, (A2) Acceptable to (D) You.

Enable me to (G/D) worship, (A2) In spirit and in (D) truth.

1. (D) Lord, I come to (G/D) worship, (A2) And give You the (D) praise.
For all that You've a(G/D)ccomplished, (A2) For all Your mighty (D) ways.
But I can do (G/D) nothing, (A2) Without Your quickening (D) power.
I thank You for Your (G/D) presence, (A2) In me this very (D) hour.
(Chorus)

2. I know I'm unworthy, To stand before Your throne.
So I come clothed in a Name, Other than my own.
The blessed Name of Jesus, And His righteousness.
That overcomes my failures, And cleanses sinfulness.

3. I want to adore You Lord, In all Your holiness.
Savor Your compassion, Sense Your gentleness.
Wonder at Your mercy, And abounding grace.
Lord I've come to worship, To seek Your lovely face. (Chorus)
