

WATCHIN' ME

By Dan Garnett

Am (Capo -2nd) - (152-168 - Allegro)

CHORUS: Lord, when I'm tempted, And want to give in,
Remember the world's watchin' me.
Lord, when all others are living in sin,
By the truth of Your Word keep me free.

1. Everyone's watchn', Lookin' to see,
What I really believe.

Is the Lord real, Or is He not?
They will know as they watch. (Chorus)

2. Your Word tells me I'm known by my works,
But sometimes I don't think they count.
I grow weary, And ready to quit,
But You somehow pull me out. (Chorus with Interlude)

INTERLUDE: The Bible says I'm the apple of Your eye,
That You're always watchin' me.
More precious than sparrows or flowers of the field,
The center of Your eye is on me.

3. Witness surround me, Above like a cloud,
The ones who have gone on before.
Some sawn asunder, Some fed to the fire,
All in the name of their Lord. (Chorus)

Everyone's watchin', Lookin' to see,
If I really believe . . .
